

Sadistic September Caddy Book

River's Edge at St. Julien Park • September 26, 2026

General Hole Notes

Read hole notes carefully. All painted lines, roads, rivers (and beyond) are OB. Usual course OB applies as well as special event OB. In general, other holes' fairways are also OB (ie your in-bound fairways include your course tee number and basket number unless otherwise specified. So, for example, hole 4 can use both hole 4 and 5's fairways, because it runs from 4's tee to 5's basket.

Hole 1

Par 4 • 466 feet / 142 m

1 long tee to 1C pin. OB long grass left, right, and deep. Middle bush is also OB. Double mando: must pass through Larson's Lane (the tunnel through the right-side OB).

Hole 2

Par 3 • 282 feet / 86 m

2 long tee to 2A pin OB street and beyond, and all long grass left and deep. OB 'lakes' are painted under the trees with an 'in-bounds river' running through the area.

Hole 3

Par 4 • 630 feet / 192 m

3 long tee to 3c pin OB: (before the berm) All long grass and beyond on the left side of the fairway; on the right side of the fairway, the skate park, road and anything over the neighbour's fence is OB. Double mando: down the intended path through the sumac past B pin.

Hole 4

Par 4 • 440 feet / 134 m

Temp A's teepad to what was Temp B's basket during the Forest City Open this year. No OB. Make sure you spot for your card; the vegetation up here swallows discs.

Hole 5

Par 5 • 876 feet / 267 m

4's long tee to 5B basket. Over the fence right side is OB. All the long grass past the berm around holes 4 and 5 plays like a lake and is OB, so choose where you try to make your 'water crossing' carefully!

Hole 6

Par 4 • 501 feet / 153 m

6's short tee to 7a basket. Double mando: tunnel through the shrub. All the long grass and weeds on the left side are OB. All painted lines and beyond are OB.

Hole 7

Par 3 • 341 feet / 104 m

6's long tee to 7b basket. Tee shot plays like a water carry; must cross in bounds or go to drop zone. All the long grass that is connected with the 'water carry' rough is part of the OB. Be mindful of your landing zones and throw only when the way is clear.

Hole 8

Par 3 • 360 feet / 110 m

8's long tee to 8b raised basket. All long grass OB. The mound that the pin is on is also OB and will have a painted line. Best of luck with that putt!

Hole 9

Par 4 • 482 feet / 147 m

9's long tee to 9b basket. Mando left of the first tree. All long grass & shrubbery is OB. Island hole with progressive drop zones. If you do not land on the island, your first DZ is the short teepad. Each island miss moves you up to next painted drop zone with usual stroke penalty.

Hole 10

Par 8 • 1,680 feet / 512 m

Yes, you read that right. Half a km. You'll get your steps in. Super River's Edge! This hole connects hole 10, 11, and 19. Play 10's long tee to 19's basket. This is actually a par 8 but Udisc won't allow us to put that because reasons, the cowards. Left side of 10 is in-bounds, all other painted rough is OB.

Hole 11

Par 3 • 318 feet / 97 m

12's long tee to 12's elevated basket on the mound. No OB except for paved path and beyond on the right side.

Hole 12

Par 5 • 614 feet / 187 m

13's long tee to 27's basket. Plays like regular hole 13 (double mando still in play), but the target is hole 27's basket, which is up and over some shrubs 100ish feet deep of 13c's pin position.

Hole 13

Par 3 • 131 feet / 40 m

Welcome to Bullseye Island! 14 short tee to 14a basket. The island of this hole is the 10 foot bullseye around the basket. All OB goes to the drop zone (including any putts that go OB from the drop zone).

Hole 14

Par 3 • 187 feet / 57 m

26's tee to 26's basket. The mound that the basket is on is OB. Over the fence on the right side is OB.

Hole 15

Par 3 • 187 feet / 57 m

15's short tee to 15a basket. The double double hole! Two sets of double mandos on the right side, each marked by sets of trees.

Hole 16

Par 3 • 282 feet / 86 m

16's short tee to 16a pin. Double mando: through the gap defined by the trees. No other OB.

Hole 17

Par 4 • 453 feet / 138 m

17's old tee to 17c basket. No OB

Hole 18

Par 3 • 240 feet / 73 m

18's short tee to 18's left basket. OB bike path & beyond. Mando: right side of the marked tree in the center. This is a 'try the wide route' version of this hole.
